

We are a league made up of parent volunteers, we are not associated with Fremont Community Schools other than use of their facilities. Our league now serves over 300 children. We cannot make the league function smoothly without parent volunteers. We cannot form teams unless we have the coaches to staff them. Please volunteer some of your time to help!

_____ Yes, I would be willing to head coach a team. (\$25 Discount per child participating)

Player's Name _____

_____ Yes, I would be willing to serve as an assistant coach. (\$10 Discount per child participating)

Player's Name _____

_____ Yes, I would be willing to help in concession stands. (\$5 Discount per child participating)

Player's Name _____

A team parent may help with pictures, collect hat and/or picture money, or obtain volunteers to staff the concession stand when it's your team's turn. Your team may ask for a volunteer, or multiple volunteers for team parents, base coaches, etc.

We need volunteers to assume a leadership role for each of the various leagues. The growth each year makes it impossible for one person to cover all the games as well as the four diamonds we play on in three different locations. Volunteers may be involved with reviewing and modifying league rules; distribute and collect uniforms and equipment; collect league dues; coordinate umpires; and help with field maintenance.

Volunteers have been gracious enough to cover several of these areas in prior years and we are extremely grateful to them.

If you would serve in any capacity, please fill out the items below.
